ABOUT ME

I am a motivated and compassionate Nursing Graduate, DHA evaluated, with a Bachelor of Science in Nursing (BSN) from Gulf Medical University, where I earned a CGPA of 3.9. During my studies, I gained hands-on experience across a variety of nursing specialties, including medical-surgical, paediatric, obstetrics & gynaecology, community health, critical care, emergency, and mental health nursing. I am skilled in patient care, clinical assessment, and health education, and I am passionate about providing compassionate, patient-centred care. I am committed to bringing my practical knowledge and clinical skills to the healthcare team.
