Dr. RAJENDRA VITHALRAO PURI

(DHA License No – 99459879-001)

PROFESSIONAL SUMMERY

Dedicated and compassionate Pediatrician and Neonatologist with over 12 years of extensive experience in Neonatal Intensive Care and General Pediatrics. Proven expertise in the comprehensive management of high-risk neonates, including neonatal resuscitation, ventilator support, and NEOPOCUS. Adept at providing high-quality outpatient care and delivering accurate diagnosis and treatment across a wide range of pediatric conditions. Strong background in leading multidisciplinary teams, mentoring junior medical staff, and driving quality improvement initiatives in both tertiary and international healthcare settings. Committed to delivering excellence in neonatal and pediatric care with a patient-centered approach.
