PROFILE INFO

Dedicated Medical Laboratory Technician with over 8 years of experience in hospitals and medical centers across the UAE and India. Skilled in phlebotomy, hematology, biochemistry, microbiology, and clinical pathology. Adept at performing accurate diagnostic testing, maintaining quality standards, and supporting physicians with timely results.

EXPERIENCE

July 2022– Present

Shifa Al Jazeera Medical Centre | Sharjah

Lab Technician

- Performed routine and specialized diagnostic tests in hematology, microbiology, and biochemistry with 99% accuracy.
- Managed daily phlebotomy services, handling 150+ patient samples per day.
- Reduced equipment downtime by 15% through proactive calibration and maintenance.
- Implemented improved specimen handling protocols, reducing rejection rates.

Jan 2022 – May 2022

Lifenity international | Dubai

Lab Technician

- Conducted diagnostic tests and assisted in COVID-19 PCR screening.
- Supported physicians by providing timely and accurate test results for patient care decisions.
- Prepared reagents and calibrators for diagnostic use.
- Maintained and calibrated lab equipment.

Dec 2018 – Dec 2021

KIMS Health Care Pvt. Ltd. | Kerala, India

Lab Technician

- Conducted hematology and clinical pathology tests in compliance with NABL standards.
- Trained and mentored new lab assistants in specimen collection and safety protocols.
- Handled patient complaints with confidentiality and professionalism.

Aug 2017 – Dec 2018

National Lab & Scans | India

Lab Technician (part-time)

- Collected and processed patient samples, ensuring accurate labeling and record-keeping.
- Assisted in the introduction of automated diagnostic equipment to improve efficiency.
