SUMMARY

As a dedicated and compassionate nursing professional with 6 years of experience in healthcare, I bring a wealth of knowledge and experience to the healthcare field. With a strong educational background in nursing and hands-on experience in various healthcare settings, I am well-equipped to provide exceptional patient care.

WORK EXPERIENCE

MEDICAL-SURGICAL NURSE

*TERESITA LOPEZ JALANDONI PROVINCIAL HOSPITAL
JANUARY 2022-APRIL 2025*

- Provides direct care to patients dealing with illnesses, injuries or surgeries.
- Conduct through assessment of patient's physical, emotional, and physiological needs.
- Monitor and record patient's vital signs, reporting any changes or concerns to physicians.
- Provide wound care and dressing changes as needed.
- Collaborate with other interdisciplinary teams, including physicians, therapist, and other health care professionals.

CRITICAL CARE NURSE/TELEMETRY NURSE

*ASIAN HOSPITAL AND MEDICAL CENTER (JCI ACCREDITED)
SEPTEMBER 2019-SEPTEMBER 2021*

- Provides intensive care to critically ill patients who require close monitoring and Life-sustaining interventions.
- Provides care to patients who require continuous cardiac monitoring and close observation.
- Basic knowledge in interpreting heart rhythms and responding to changes in patient conditions.
- Continuously monitor patient's vital signs, lab results, and other relevant data, responding quickly to changes in condition.
- Provide emotional support and education to patient's families.
