SUMMARY

DHA licensed Medical Laboratory Technologist with 5 years of Experience in related field. Medical laboratory professional with hands-on experience in conducting various diagnostic tests, analysing results, and maintaining laboratory equipment. Strong background in following safety protocols, preparing samples, and collaborating with healthcare teams to ensure accurate and timely results.

SKILLS

- Haematology testing
- Urinalysis
- Equipment testing and calibration
- Committed to learning
- Automated lab equipment operation
- Serology testing expertise
- Results interpretation
- Equipment troubleshooting
- Workload prioritisation
- Immunology
- Microbiology
- Laboratory information systems usage
- Laboratory equipment maintenance
- Quality control procedures
- Error identification
- Lab equipment calibration

EXPERIENCE

November 2021 - Current

Medical Laboratory Technician Biohealth Diagnostic Centre (Right Health) | Dubai, UAE

- Prepared test report based on the analysis and authenticate
- Document test samples, test results and update patient database and authenticate
