 - Yearly attendance of ARM and Total radiology conference held in Dubai.
 - Neuroradiology course in Saint Petersburg 2016.
 - Radicon institute of Radiology different courses and workshops in MSK and neuroimaging.
 - Multiple Obstetrics and Gynecology ultrasound workshops.
 - FRCR 2B exam training courses in Dubai.
 - RCR Dubai conference 2023.
 - EUSOBI Breast imaging conference 2025/Aberdeen.
 - Different online courses in breast imaging, Doppler ultrasound and complete radiology courses.
- 2) Attended the Science of Improvement workshop in Dubai held by the Institute of Healthcare Improvement (IHI) in 2015.
- 3) Attended the BLS course in the Clinical Training Centre at Sharjah

University 2014/2016/2018/2020/2023/2025.

4) Participated in the following activities & courses in Neurolinguistic programming and leadership held in the Iraqi Centre for Innovation & Development in Baghdad (Sep.2005-Apr.2006) & provided by participation certificates in:

1. Diploma in Neuro-linguistic Programming (NLP) according to INLPTA.
2. Leadership course.

3. (How to lead your life) course.
4. Explanation of Perception Field (Cognitive Research Trust/CORT1)
5. Recognizing personality types course according to the Myers-Briggs scale.

Presentation & Activities:

1. Hands on trainer in Ultrasound postgraduate training course for radiology technicians in Obstetrics and gynecology at Sharjah Surgical Institute/ University of Sharjah on 2025.
2. Participated in Intensive abdominal ultrasound courses held in Sharjah Surgical Institute/ University of Sharjah as a Tutor and hands-on for postgraduate radiology technicians 2019.
3. As the Quality facilitator at Sharjah University Hospital /radiology department, I was responsible for training radiology staff on quality control subjects including hospital policies and procedures through multiple presentations and lectures and the PDCA project in the radiology department.
4. In 2011, CME presentation at Al-Zahraa Hospital :(Ovarian cyst in neonate).
5. {On 2007}, as a 4th year senior house officer in FICMSR at Radiology Department: seminar on (Radiological differential diagnosis of Supratentorial Mass Lesions).
6. {On 2006}, as a 3rd-year senior house officer in FICMSR at Radiology Department: seminar on (Radiological diagnosis of Jaundice).

7. {On 1999}, at last year of the college (6th year) presented the following seminars as the fulfillment of MBChB. degree:

- A seminar on (Multinodular Goiter)-Surgery.
- A seminar on (Pulmonary TB) -General Medicine.
- A seminar on (Gestational Diabetes) -Obstetrics & Gynecology.
- A seminar on (Hypertrophic Pyloric Stenosis) - Pediatric.

8. {In 1996}, at third-year medical college presented a Seminar on (Histopathological Diagnosis of Amyloidosis) in Pathology.

Competencies &Skills: -

*Independent, ambitious & initiative.

*Teaching & presentation skills.

*Appreciates teamwork, respectful to colleagues.

*Hard worker and can work under pressure circumstances.

Affiliation & Leadership: -

Representative of students in High School study for scientific & social affairs for six years successively.
