PROFILE AND KEY SKILL

To contribute my maximum potentials to the company's objectives and be part of the company's growth and success through teamwork, initiative actions, knowledge and experience-sharing and target achievements.

Studying for a degree in Chemistry is a sound basis from which to launch my career, and employers recognise that a degree in Chemistry is a valued qualification. Apart from extending my knowledge of the subject, i can develop many of the scientific skills, which are necessary for most occupations.

EDUCATION

Bachelor of Chemical Science | 2012
Mosul University Iraq

High School Diploma | 2008

CORE SKILLS

- Proposal Making
