Location: Dubai

PROFILE SUMMARY

Certified Medical Coder with hands-on experience in ICD-10-CM, HCPCS, and HCC coding across inpatient and outpatient records. Proficient in EMR chart review, coding audits, payer guideline compliance, and claim quality validation to ensure accurate reimbursement. Experienced in collaborating with clinical and billing teams to resolve documentation gaps, reduce denials, and maintain HIPAA compliance. Committed to delivering high-quality, audit-ready coding supporting efficient revenue cycle operations.

KEY SKILLS

Core Competencies: ICD-10-CM coding, HCPCS coding knowledge, HCC risk adjustment, EMR chart auditing, Claims quality review, Payer guideline compliance, Medical billing workflows, Coding exclusion checks, Clinical documentation analysis, Insurance claim validation, Regulatory policy adherence, Copay verification process, Coding audit reporting, Revenue cycle accuracy, Analytical Problem Solving, Time Management Skills, Clear Communication Skills

WORK EXPERIENCE

MEDICAL CODER INTERN

Thriving RCM Solutions & Medical Coding, Oman (Jun 2025 – Dec 2025)

- Assigned accurate ICD-10-CM, CPT, and HCPCS codes based on complete clinical documentation review.
- Reviewed inpatient and outpatient charts ensuring compliance with payer guidelines and regulatory requirements.
- Performed EMR chart abstraction validating diagnoses, procedures, modifiers, and patient demographic information accuracy.
- Supported coding audits by identifying discrepancies and recommending documentation improvements to senior coders.
- Maintained HIPAA compliance and confidentiality while handling sensitive patient health information daily responsibly.
- Assisted denial management by analyzing rejected claims and correcting coding related errors promptly.
- Collaborated with billing teams to ensure timely claim submission and reimbursement readiness processes.
- Applied payer specific SOPs to validate services, copay accuracy, and authorization requirements consistently.
- Prepared coding quality reports highlighting error trends and improvement opportunities for leadership review.
- Participated in training sessions enhancing knowledge of revenue cycle workflows and coding standards.

JUNIOR MEDICAL CODER

Optum Health and Technology (July 2023 – July 2025)

- Assigned ICD-10-CM codes accurately based on physician documented diagnoses and procedures.
- Maintained coding productivity and quality benchmarks as defined by organizational standards and policies.
- Participated in internal audits and implemented feedback to improve coding accuracy outcomes consistently.
- Utilized EMR systems to review clinical documentation and validate report completeness and clarity.
- Ensured compliance with HIPAA regulations and organizational data privacy policies during daily operations.
- Supported senior coders by preparing charts and resolving basic documentation queries efficiently collaboratively.
- Updated coding knowledge through continuous learning of guideline and regulatory changes affecting practice.
- Communicated effectively with team members to address coding discrepancies and workflow issues promptly.
- Organized medical records to support retrospective audits and quality assurance initiatives efficiently consistently.

EDUCATION QUALIFICATION

MEDICAL CODING AND BILLING | Transorze Solutions, India | 2023

BACHELOR OF SCIENCE (BSC) IN BOTANY | Sree Narayana College, Kollam | 2022

HIGHER SECONDARY EDUCATION – SCIENCE (PHYSICS, MATHEMATICS, BIOLOGY) | GHSS Mangad | 2019

DIGITAL SKILLS

- **Clinical Coding & Classification:** ICD-10-CM, HCPCS, EncoderPro
- **Healthcare Data & Management:** Datarap, Datacore, Epic EHR, Cerner EHR, Meditech EHR
- **Billing & Claims Management:** Medical Billing Software, Claims Management Systems
- **CRM & Workflow Tools:** Salesforce
- **Productivity Tools:** Microsoft Excel, Microsoft Word

ACHIEVEMENTS

- Achieved high coding accuracy while ensuring compliance with ICD-10 and HCPCS standards.
- Successfully reduced claim denials by identifying documentation gaps and applying correct coding procedures.
- Acknowledged for consistently supporting denial management and revenue cycle improvement initiatives.
- Completed multiple coding projects independently, demonstrating strong understanding of payer-specific guidelines.

PROJECT

- **WellCare ACA** - Managed coding for pregnancy and congenital conditions using ICD-10-CM guidelines accurately.
- **NON EMR HCP WA** - Developed expertise in HCC risk adjustment coding for diverse patient populations.
- **OCN Mid Atlantic** - Handled high-volume coding tasks ensuring precise application of ICD-10-CM and HCPCS codes.

ADDITIONAL INFORMATIONS

- **Languages Known:** English, Malayalam, Tamil
- **Availability:** Immediate availability for full-time positions.
- **References:** Available upon request
