Work History

2024-07 - Current

General Practitioner

Globe Health Institute, Dubai, United Arab Emirates

- Proper ICD-10/CPT Coding for smooth insurance claims and worked with all major insurance companies in UAE (**Nextcare, Sukoon, NAS** etc.)
- Conducting thorough physical examinations for accurate diagnoses, leading to better patient treatment options.
- Coordinating closely with specialists regarding complex cases or necessary referrals, ensuring continuity of care for patients.
- Focused on early detection of potential health issues through routine screenings and assessments, resulting in timely interventions when needed.

2021-08 - 2023-07

General Practitioner

Azam Medical Centre, Karachi, Pakistan

- Established complex diagnoses in emergency, trauma, OPD, and wards to facilitate effective treatment and management.
- Assisted senior physicians and surgeons during assessments, examinations, and surgical interventions.
- Completed patient referrals to other medical specialists.
- Interpreted diagnostic test results for deviations from normal.

2020-06 - 2021-07

Intern Doctor

Jinnah Postgraduate Medical Centre, Karachi, Pakistan

- Teamed with other physicians, specialists, and health care providers in emergency, trauma, ICU, OPD, and wards to provide well-rounded care for complex cases. • Monitored post-operative recovery and educated patients on at-home recovery.
- Interviewed patients concerning physical complaints, discussed symptoms, asked questions, and suggested treatment options.
